Release Agreement

I, on behalf of myself and the Minor(s)/Other Individual(s), if applicable, acknowledge that:

1. Footprints in the Sky and other assisting Volunteer Pilot Organizations, facilitate access to free air transportation through FAA-certified pilots who have offered their assistance to fly me, and/or, the referenced Minor/Other Individual. Footprints does not provide aircraft, nor does it control the conduct of the flight. The Flight Crew and Commercial Operators/Owners are solely responsible for the conduct of the flight and for the aircraft provided.

2. By signing this Release Agreement, I understand that the services donated on my behalf, in the form of time, services, aircraft, and flight expenses being furnished by the Flight Crew/Commercial Operators/Owners constitute a significant value and material personal benefit in exchange for this release. I regard such transportation as a significant material factor in my well-being and physical prosperity and, if applicable, that of the Minor/Other Individual that is the passenger for whom the flight is being conducted and for whom I am consenting.

3. Footprints in the Sky and the Flight Crews/Commercial Operators/Owners, relying on this general release, may provide air transportation to assist passenger(s) on one or more occasions to obtain, and/or, return from prescribed medical treatment/evaluation or other medically related purposes;

4. As a non-commercial, non-profit volunteer organization, the Flight Crews/Commercial Operators/Owners will not be financially reimbursed for their services, or the expenses of this flight by either Footprints in the Sky, nor patients/passengers served.

5. There is no guarantee by Footprints in the Sky that any, or all flights, will be provided on the dates and times requested.

6. These flights are flown by the Flight Crew alone. No passenger, cabin assistance (flight attendant) is provided. Passengers are personally responsible for entering and exiting the aircraft without assistance from the Pilot(s). The passengers are responsible for providing their own support or assistance. The Pilot(s) may be unable to provide assistance to passengers in exiting the aircraft in the event of an emergency. If additional assistance is needed, the passenger is responsible for providing, his/her, own personal assistant, and advance arrangements must be made with Footprints in the Sky.

7. All patients/passengers are responsible for their own ground transportation, room and board arrangements for all scheduled and unplanned expenses in the event of a flight delay or cancellation.
